

STEMS.

The Leader in  
Regenerative Medicine.

# STEMS.

Welcome to STEMS Health, where science meets compassion to unlock the remarkable potential of your body's natural healing abilities. We are pioneers of regenerative medicine, redefining wellness through cutting-edge therapies that harness the power of PRP, stem cells, and exosomes.

---

## BOUTIQUE CONCIERGE SERVICE

Our boutique concierge service ensures you are the focus and will receive the highest level of support and comfort. Discover the luxury of health and experience a holistic approach where you're at the center of everything we do.

## BEST IN CLASS TECHNOLOGIES

Stay ahead in your health journey with our cutting-edge tech. From image-guided diagnostics to regenerative therapies, we provide best in-class medical treatments.

## HIGHEST LEVEL PROVIDERS

With 10,000+ procedures performed, our team brings unmatched expertise to your care.

STEMS.

# REGENERATIVE MEDICINE

STEMS specializes in precision-targeted, minimally-invasive regenerative medicine.

## PLATELET-RICH PLASMA (PRP)

PRP concentrates growth factors from your blood, promoting repair and regeneration.

## STEM CELLS

Stem cells are the building blocks of the body, capable of differentiating into any cell type, promoting growth and regeneration.

## EXOSOMES

Exosomes contain 3x the amount of growth factors as stem cells and help to promote healing and communication between cells.

# SERVICES

---

- . Pain Management
- . Spine & Joint Health
- . Diagnostic Imaging
- . IV Therapies
- . Cosmetic Rejuvenation
- . Sexual Health
- . Peptides
- . Advanced Laboratory Evaluations
- . Stem Cell Banking & Storage

## PAIN MANAGEMENT

FREEDOM FROM DISCOMFORT, NATURALLY

Minimally-invasive procedures targeting the root cause of your pain.

## SPINE & JOINT HEALTH

STRENGTHENING YOUR FOUNDATION

Regenerative therapies to restore your function, strength, and mobility.

## DIAGNOSTIC IMAGING

ENHANCING PRECISION AND INSIGHT

Enhance diagnostic accuracy with ultrasound or MRI to fully evaluate your spine & joint health.

## IV THERAPIES

### ENERGIZE AND REJUVENATE WITHIN

Exosomes and stem cells are administered for total wellness. We also offer customized vitamin and mineral infusions.

## COSMETIC REJUVENATION

### BEAUTY, NATURALLY RESTORED

Embrace natural beauty restoration with regenerative therapies. PRP application stimulates collagen production, rejuvenating skin's texture, elasticity, and appearance. Experience the revitalizing potential of PRP and exosomes, enhancing facial rejuvenation and hair restoration with precision and care.

STEMS

## SEXUAL HEALTH

### ELEVATE INTIMACY AND CONFIDENCE

Elevate intimacy and confidence with regenerative solutions. Regenerative therapies play a pivotal role in tissue rejuvenation, enhancing sexual health naturally. We offer the O-shot and P-shot to enhance your sexual health.

## PEPTIDES

### ELEVATE WELLNESS WITH PRECISION

Elevate your well-being with the precision of peptides. Combine their potential with regenerative therapies for enhanced outcomes. Amplify communication, rejuvenation, and vitality within your body.

## ADVANCED LABORATORY DIAGNOSTICS

### IN-DEPTH INSIGHTS FOR OPTIMAL CARE

Pair advanced laboratory evaluations with regenerative therapies for holistic insights. We offer many advanced diagnostic laboratory studies to further uncover the root cause of dysfunction and early cancer diagnosis.

## STEM CELL BANKING & STORAGE

### PRESERVING YOUR HEALTH LEGACY

Secure your health legacy with stem cell banking, allowing you to utilize your unique cells for future regenerative use. Stem cells are a foundation for potential therapies, offering a safeguard for wellness and preserving your body's natural healing potential.

# OUR PROMISES

## HIGHEST QUALITY CONCIERGE CARE

We are committed to delivering the highest standard of care, prioritizing your well-being and ensuring your comfort throughout your treatment journey.

## PERSONALIZED, EVIDENCE- BASED TREATMENTS

Our treatments are based on proven methodologies and backed by scientific research, providing reliable and effective solutions for your health concerns.

## TRANSPARENT PRICING

We provide clear, upfront pricing for all our services so you can make informed decisions about your healthcare without any surprises.

## RESTORE FORM & FUNCTION

Our goal is to enhance your overall quality of life, utilizing advanced regenerative medicine techniques that promote natural healing and restore function.

## AVOID SURGERIES & DRUGS

We strive to minimize the reliance on pharmaceuticals and surgical interventions whenever possible, offering alternative approaches that prioritize your long-term well-being.

## ACCESS TO THE FUTURE OF MEDICINE

As pioneers in regenerative medicine, we provide access to cutting-edge therapies and technologies, ensuring that you benefit from the latest advancements in the field.

# THE STEMS. DIFFERENCE

We understand that your health is more than just the absence of disease—it's living your best life. Through regenerative medicine, we offer treatments that promote natural healing, restore function, and enhance your overall well-being.

---

## LEADERS IN REGENERATIVE MEDICINE

With a legacy of over a decade in practice and 10,000+ procedures performed, we bring unparalleled expertise to the table.

## PRECISION-TARGETED THERAPIES

Our evidence-based treatments are not one-size-fits-all; they are carefully tailored to meet your unique needs, ensuring that you experience the full potential of regenerative medicine.

## YOUR PARTNER IN WELLNESS

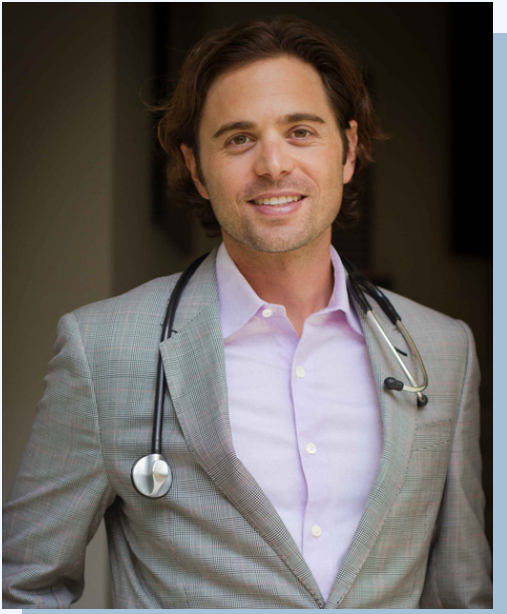

When you choose STEMS, you're choosing more than a clinic - you're choosing a partner in your wellness journey.

# ABOUT OUR FOUNDERS

*We are confident that we are now entering the next historical phase of medicine-regeneration. As we continue to pioneer innovative solutions for disease treatment, we are simultaneously advancing techniques to turn back the hands of time and reverse the tissue damage caused by disease and physical injury. The ability to not only relieve a patient of their pain, but to also allow them to regain and restore their form, function, and energy is beyond gratifying.*

## Jarred Mait MD

Dr. Jarred Mait is a licensed general medicine and functional medicine physician. He completed medical school at University of Miami and then Anesthesiology training at University of Miami/Jackson Memorial Hospital. He is the owner and Medical Director of Pulse & Remedy.
